

ANTIFA LEADER SIDE

[TRANS makes a sound of exasperation and disgust]

ANTIFA LEADER

We can set fire to those if they do.

PASTAFARIAN

Hopefully a couple of cops will get caught in the flames with those xenophobic homophobes.

[ANTIFA LEADER and MEMBERS loudly approve]

KAYLA

I heard...

[Everyone quiets down]

I heard they're not going to do any of that, but—

PASTAFARIAN

Oh, they'll do it anyway, whether they're planning it or not. It always happens.

ANTIFA LEADER

Let her finish.

KAYLA

I heard that they plan to distribute buttons *[she slightly laughs]* that say "it's ok to be white."

[TRANS boo's while FEMINIST groans in disbelief]

FEMINIST

Ugh! Are you kidding?

KAYLA

That's just what I heard. So nothing violent.

ANTIFA LEADER

Violent? No. It's far worse.

START

INTERNET TROLL

Fall 2017, 4chan.org. Let's put "it's ok to be white" stickers everywhere and watch lefties and the media freak out! Then boom! normies will realize the left hates white people!

ANTIFA LEADER

That phrase was started by a bunch of trolls on 4chan to promote this false idea of "white victimhood" just to get a reaction.

*[INTERNET TROLL points at himself in disbelief as
ANTIFA LEADER says "trolls on 4chan"]*

INTERNET TROLL

[in a high, squeaky voice] Me? *[to KAYLA]* Vancouver, Washington, November 2017: Group hangs "it's ok to be white" banner right next to sign honoring Ethiopian immigrant and university student who was beaten to death by Neo-Nazis.

ANTIFA LEADER

That phrase might not threaten people immediately, but it is still threatening. It threatens peace, it threatens progress; it threatens hope, and unity, and the safety of those who can never claim white privilege.

INTERNET TROLL

David Duke adopts and promotes the phrase "it's ok to be white!"

KAYLA

I...I didn't know they used it to excuse hate and violence. Violence is never the answer.

[the others nod and agree]

[KAYLA slowly turns her MAGA hat around so it's facing backwards]

INTERNET TROLL

[to KAYLA]

Unapologetically Black! Latino and Proud! Honored to be Asian! Proud to be Muslim!

[quietly and carefully]

It's okay to be white?

[INTERNET TROLL exits as KAYLA reaches up to her MAGA hat. She starts to turn it back around, but stops at ANTIFA LEADER's next line]

ANTIFA LEADER

Well now you know; it's good that you're learning. Everything the Right does is an excuse for hate and violence.

[KAYLA fixes her hat on backwards]

END

PASTAFARIAN

And then they build monuments to their hate and call it "history."

FEMINIST

There's that pioneer statue *[she gestures to BENT]* on campus that needs to be taken down!

[all ANTIFA MEMBERS loudly agree]

[As FEMINIST speaks, INTERNET TROLL enters scooting in on a chair dressed as The Pioneer Mother wearing a pioneer apron and bonnet,
