**START**

INTERNET TROLL  
Settle down and buckle up  
What say we take a drive?  
Git yer gear and giddy up  
It'll be a bumpy ride

I've got stuff for everyone

Me oh my, this will be fun!  
And I will troll about  
Websites, posts, and videos,  
Channels, chatrooms, blogs  
Shows and memes and gifs,  
(If you say "jif" I swear to "Jod")  
Step right up, come one, come all  
Behold the Modern Circus:  
Bright and dark; dumb and smart  
It's certainly berserk-us

*[He jumps onto the "soap box." A YOUNG MAN walks up to him. INTERNET TROLL takes out a football helmet from his bag and hands it to the young man who puts it on]*

Man, that game was nuts, dude!

Why just watch when you can play

*[The FIRST YOUNG MAN with the football helmet takes his PC gaming headset and exits. INTERNET TROLL calls out to ANOTHER PERSON passing through]*

Yoohoo! Check this out

*[That PERSON approaches. INTERNET TROLL hands him/her the third PC gaming headset and sings to him/her]*

To get set, get your headset  
And now you just log on

*[INTERNET TROLL turns to the SECOND YOUNG MAN who wears his PC gaming headset]*

Ooh this boss seems tough, yeah  
Fat chance you'll take him down  
The only thing that's fatter than your chance  
Is your mom!
